Want to See Freedom of the Dardanelles and Protection of the Racial and Religious Minorities—Government is Not Concerned in the Solution of the Present Problem

WASHINGTON, Sept. 26.—Allied proposals to insure effective freedom of the Dardanelles and protection of racial and religious minorities in negotiating a permanent peace settlement of the Near Eastern crisis "are clearly in accord with American sentiment," Secretary Hughes declared today in the first formal assertion of American policy toward the Turkish problem.

SENATOR WATSON DIES SUDDENLY AT WASHINGTON

One of the Picturesque Figures in Senate Passes Away

WASHINGTON, Sept. 26.—Another powerful and picturesque figure passed from public life in the death today of Senator Thomas E. Watson of Georgia. His death, which occurred at 2:40 o'clock this morning was sudden and unexpected, resulting from an attack of asthma, according to physicians.

The senator had been a sufferer for several weeks from the disease and only last Sunday experienced an acute attack. Two physicians and a nurse were at the bedside when the end came but the widow, who is in ill health, and other relatives were at the home in Thompson, Ga., for which Mr. Watson had planned to depart today.

For forty years Senator Watson had been active in politics, a national as well as a state figure. He was nominated by the Populist party for president in 1904, after receiving its vice presidential nomination in 1896. He was a Populist member of the house of representatives in 1891-1892.

GRANTS EXTRADITION FOR ALLEGED MURDERER

Olympia, Washington, Sept. 26.—Extradition of Samuel Elliott, wanted in Chicago on a charge of murder in connection with the slaying of Glenn J. L. Clem, who was shot and killed Sept. 8, was granted by Governor L. F. Hart today upon the requisition of Governor Small of Illinois. Elliott is under arrest at Tacoma.

A. J. BEVERIDGE OPENS CAMPAIGN AT EVANSVILLE

Says Harding Administration Has Made Great Progress

(By The Associated Press) EVANSVILLE, Ind., Sept. 26.—Albert J. Beveridge, Republican nominee for United States senator from Indiana, opened his campaign tonight declared that President Harding and Republican congresses after receiving from the administration of President Wilson, "a heritage of public debt, business confusion, governmental waste, unscientific taxation and foreign embarrassment so vast that it seemed almost impossible to lift the burdens and straighten out the conditions that the country has made such progress that even now prosperity draws near."

Mr. Beveridge presented a program dealing with economic, social and political problems. His proposals include: Removal of the tariff from politics; abolition of the railroad labor board, giving labor and capital the opportunity to solve their own problems; repeal of paternalistic laws affecting industry and business; reduction of freight rates; reduction of federal taxation and simplified and decentralized administration of all federal tax laws and non-cumulative sales tax as a simplification of the present complicated tax system; further reduction in the number of government workers and keeping out of foreign affairs.

The burdens and conditions brought on the country Mr. Beveridge said dated back to 1914 when the world was normal. He suggested that the Wilson administration had so restricted American industry and so exposed it to foreign raids that millions of workers were idle and that the country was on the brink of a panic which was averted by the war.

KNIGHTS OF PYTHIAS AGAIN HONOR LOCAL MAN WITH OFFICE

M. F. Dunlap Re-Elected as Grand Master of Exchequer at Decatur

(By The Associated Press) DECATUR, Ill., Sept. 26.—Algonson S. Weeks of Champaign was elected Grand Outer Guard of the Knights of Pythias of Illinois in convention here today. Seven candidates were in the field, the office which by tradition leads to advancement in five years to the highest office of the order in Illinois.

R. Allen Stephens of Springfield, now succeeds to the office of grand chancellor for the coming year. Allen Douglas of Chicago, grand keeper of records and seals; Millard F. Dunlap of Jacksonville, grand master of exchequer and Arthur W. James of Chicago, grand lodge trustee were all re-elected.

MISS WILSON IS ROBBED IN NEW YORK

(By The Associated Press) NEW YORK, Sept. 26.—Miss Margaret Woodrow Wilson daughter of former President Wilson appeared in Essex Street Court today as the complainant against William Cook, negro window cleaner, whom she charged with having stolen a \$100 gold watch and curtains and curtain rods worth \$46 from her apartment in Greenwich Village.

Miss Wilson, who told the court she was a student, declared that the articles disappeared after Cook cleaned the windows of her apartment. She was accompanied to court by Miss Cole, a friend.

M. P. REFUSES ALL SENIORITY RIGHTS

St. Louis, Mo., Sept. 26.—B. F. Bush, president of the Missouri Pacific today issued a statement announcing that seniority rights of striking shopmen would not be respected in any instances and called upon shopmen at present in the roads' employ to organize an association for negotiating an agreement covering wages and working rules.

Condensed Telegraph News

Muscatine, Iowa, Sept. 26.—Developments which will throw light on "the big timber" skeleton mystery are expected by night, by Sheriff Schwab of Louisa county. The sheriff this morning said that he has a clue which he believes will lead to the identity of the gruesome remains with a bullet hole in the skull, found 12 miles south of here Sunday night. He declined to comment on the nature of the expected developments.

Washington, Sept. 26.—The Association of Railroad Executives announced today that reports from the railroads of the country showed that working forces at the carriers' shops on Saturday reached 85 percent of normal strength.

Rockford, Sept. 26.—Ralph M. Immell and Miss Mary Hazel Gray both of Madison, Wis., motored to Rockford late last night, roused a deputy circuit clerk from bed, obtained a license, and were married by the Rev. William H. Fulton. Mr. Immell is private secretary of Governor Blaine.

Chicago, Sept. 26.—Permission was granted the Chicago, Burlington & Quincy railroad by the Illinois commerce commission today to construct a reservoir six miles south of Galesburg, Ill., to supply water to the railroad shops. Work is expected to start at once on the project, which it is estimated will cost \$350,000. Its capacity will be 900,000,000 gallons annually. The location is a natural reservoir which requires walling in and a pipe line to the shops.

FAIL TO AGREE ON DATE FOR OPENING OF MURDER TRIALS

State Anxious to Start Trials About the Middle of November

(By The Associated Press) MARION, Ill., Sept. 26.—Attorneys for the state and defense at a meeting today with Judge Hartwell of Williamson county circuit court failed to agree upon a date for the opening of the trials of the 76 persons indicted by a special grand jury which investigated the deaths of 19 non-union workers and three union miners at the Lester strip mine near here June 21 and 22. Although it was reported that the state which is anxious to start the trials as soon as possible favored the beginning of the trials about the middle of November no agreement was reached as it was understood that the defense wished to postpone the trials as long as possible.

Technicalities growing out of bail to 36 of 44 of the men indicted for murder were discussed at the conference. The state would not consent to the release on bond of eight men, whom it regards as the leaders of the riots and this move, it is believed will force the trials to be held within four months, as a state law provides that a person held without bail should be tried within that time.

In the event it is found impossible to bring the six men held without bail to trial it was explained that complications looking toward the release of these men might arise. The other two men have not been apprehended, although they have been ordered held without bail. It was announced that conferences between the defense and state attorney Hartwell would be continued until the date for the trials is agreed upon.

TWO BELIEVED DEAD IN EXPLOSION

(By The Associated Press) ST. LOUIS, Mo., Sept. 26.—Three successive explosions in a one-story building occupied by the Independent Three company located in "Automobile Row" which occurred tonight wrecked the place and probably caused the deaths of two men who are believed to have been working in the building.

Israel Reifler, proprietor of the company and an assistant whose name could not be learned, were seen in the building shortly before the blasts, which assumed terrific proportions, breaking windows for blocks around, doing damage to surrounding buildings and causing a total estimated damage in excess of \$100,000.

Firemen advanced the theory that air tanks used to supply air to motorist tires exploded.

Later it was reported that six men were seen talking in the establishment but this report could not be verified.

PLEDGE SUPPORT IN GRAIN RATE FIGHT

Kansas City, Mo., Sept. 26.—Representatives of public utility and railroad commissions in Missouri, Iowa, Nebraska, Minnesota and North Dakota, in conference here today, pledged support to the Kansas Public Utilities commission in a fight for lower grain rates in the western territory.

TURKISH CAVALRY MOVEMENTS CAUSE ENGLAND ANXIETY

Another Detachment of 1,000 Men Crosses Border Into Chanak

(By The Associated Press) LONDON, Sept. 26.—Anxiety is renewed owing to the evident reluctance of the Kemalists officers to order the withdrawal of the Turkish cavalry from 2 the Chanak zone in the Dardanelles. Instead of withdrawing, another detachment numbering 1,000 has crossed the border from Bigha.

It is stated in extenuation of these movements that they were ordered before receipt of the allied joint note and the British authorities therefore are making every allowance for the difficulties of communication and the possibility that Mustapha Kemal is not directly responsible for the refusal of the local commanders to order a retirement.

General Harrington, British commander of the allied forces in Constantinople has stipulated a time limit of 48 hours for withdrawal of the Turks but considerably allows the period to date from the time of the receipt of his wireless despatch. His ultimatum therefore is elastic.

The British military authorities, while thus doing their utmost to avoid precipitating trouble do not conceal that the situation entails much danger. The Kemalists apparently contend that the British and allied governments should cease military preparations during the siting of the proposed peace conference or, conversely, that the Kemalists should be permitted to continue troop movements during the progress of the negotiations, and, also, it is very generally believed that Kemal is not desirous of provoking a conflict, apprehensions will continue until the invading cavalry retires.

ARE MEETING DAILY

Ministers and defense experts are meeting daily at the colonial office dealing with military questions and arrangements for removing refugees from Smyrna.

Until Kemal's reply is received there will be no diminution in the war preparations and, as according to Kemal's side, Essad Bey, the Ankara government will insist on the admission of Russia, Persia and Bulgaria to the conference there will be many difficulties to overcome before the conference actually meets.

CHICAGO MAN HEADS AMERICAN LEGION

(By The Associated Press) ROCK ISLAND, Ill., Sept. 26.—The fourth annual convention of the American Legion of Illinois ended tonight after Charles W. Schick of Chicago's naval post was elected commander and a resolution asking for adjournment of the convention had been passed. Danville was chosen for the 1923 convention.

Hanford MacNider, national commander of the legion and Senator Medill McCormick made speeches supporting the compensation bills that will be presented to the next congress.

"Take off your coats and get in the fight," said Commander MacNider. "It has only just begun. Illinois stands out more brilliantly than other states in point of service to the nation and without the sacrifice of our men we would be unable to win the fight for the adjustment of compensation."

Senator McCormick condemned acts of violence and the failure of public officers to perform their sworn duty of protecting lives and property.

STATE W. C. T. U. MEETS IN DECATUR

A number of local women will attend the state W. C. T. U. meeting which will be held in Decatur Oct. 17 to 20. Law enforcement will be one of the principal themes at the conference, and one of the addresses will be delivered by Mrs. Margaret Munns, who is treasurer of the National W. C. T. U.

ULTIMATUM ISSUED TO TURKISH TROOPS BY BRITISH GENERALS

Harrington Orders Them Out of the Neutral Zone Around the Dardanelles—Wives and Families of Allies Leaving Constantinople

(By The Associated Press) CONSTANTINOPLE, Sept. 26.—The British general, Sir Charles Harrington, commander-in-chief of the allied forces here, has ordered the Turks out of the neutral zone around the Dardanelles. He has sent an ultimatum to Mustapha Kemal Pasha at Smyrna, allowing 48 hours for withdrawal of the Nationalist cavalry detachments which have occupied Kum Kaleh, at the entrance to the Dardanelles, as well as Eren Keui, to the southwest of Chanak, and Bigha.

This action was taken by General Harrington after several requests had been made by the British commanders in the area mentioned that the Turkish forces withdraw and after the Turks began to entrench. Likewise the British troops are throwing up entrenchments, erecting barbed wire entanglements and making every preparation both for defense and offensive movement if that becomes necessary.

Yesterday it was announced that the wives and families of the allied authorities would remain in Constantinople but today some of them had been sent out of the city and others were preparing to depart. This carries its own significance.

Precautions to prevent disorders in the capital also have been redoubled but some relief is felt over the arrival at Chanak of British reinforcements and the announcement that additional naval units were on the way to Constantinople from Malta. This consists of a destroyer flotilla and two light cruisers which are expected to reach here with all dispatch.

The Statement by Major General Maurice, the British expert who is usually a severe critic that the British forces could hold Chanak, the key position of the Dardanelles against any nationalist attempt is highly encouraging and accepted here as voicing the opinion of the officers in general.

STRONG CRITICISM ON THE BEHAVIOR OF GREEK TROOPS

Viscount St. Davids Says Maliciously Burned Villages in Retreat

(By The Associated Press) LONDON, Sept. 26.—Strong criticism of the behavior of Greek troops in the Near East was made by Viscount St. Davids who presided today at the semi-annual meeting of the board of directors of the Ottoman railway which operates from Smyrna to Aiden in Asia Minor. The viscount said:

"The Greeks in their retreat burned every village they saw. They robbed individual Turks and when these resisted they killed them. They did all this near the front and without military necessity. They did it out of sheer malice. Reports are that it was done systematically by regular troops under orders. It was done by the men of men who knew they could not hold the country and meant to make it worthless for anyone else."

The Greeks took from Smyrna a number of leading Turks, and deported them to Athens, Viscount St. Davids declared.

"The Greeks deserved all they got and more," he said. "King Constantine's servants are very bad fighters but they are first class at robbery, arson and murder."

The speaker said that the Greeks were now quiet but that the Armenians had resorted to bomb throwing and in many ways prompted the chances of massacre.

TURKISH OFFICER WANTS TO KNOW

London, Sept. 26.—Describing the situation at Chanak a Chanak despatch to The Times today says:

"The situation here is harder. The Turks who re-occupied Eren Keui are showing a determined attitude and it is evident that fire would be opened if the British advanced."

"A Turkish mounted patrol moved northward to within five miles of Chanak defenses. One patrol approached a British observation post under a white flag. A Turkish officer speaking English, asked the British non-commissioned officer whether the Chanak defenses were wired, how many guns the British had mounted and how many troops were in support. He was given evasive replies."

"This extraordinary boldness of reconnaissance gives the appearance that Kemal is disposed to challenge the British empire."

CURTAINMENT OF PROHIBITORY ACTIVITIES IS DECIDED UPON

Search on High Seas Only Under Certain Conditions

(By The Associated Press) WASHINGTON, Sept. 26.—Curtailement of the activities of American prohibition enforcement officers on the high seas was decided upon today by President Harding and his cabinet. Search of foreign vessels for contraband liquor outside the international three mile limit may be made hereafter it was stated authoritatively only in the event that the vessels actually establish communication with American shores by means of their own crews or small boats. Search under such circumstances was upheld recently by Federal District Judge Morton at Boston in the case of the British schooner Grace and Ruby.

An appeal in that case has been taken to the supreme court.

Foreign vessels outside the three mile limit unloading their cargoes of contraband rum for American shores would not come within the federal law in the view of high administration officials.

The American craft undertaking to land the contraband would be subject to search and seizure.

Enforcement of the prohibition act at sea has been the subject of diplomatic exchanges between the American and British governments occupied much time of the cabinet.

The executive and his advisers took the view that there were some authorizations in this law out of harmony with international law and which it carried out probably would involve the United States in international embarrassments.

Regulations in accordance with the decision of the cabinet and affecting the customs service as well as the prohibition bureau will be issued as soon as practicable, it was stated tonight at the treasury. The customs service will be affected, it was explained because the prohibition bureau of a customs official who decides what action shall be taken by it in every case.

GOVERNOR SMALL DENIES REQUISITION

(By The Associated Press) SPRINGFIELD, Ill., Sept. 26.—Requisition for the return to Chicago of Mrs. Emily S. Peers, arrested in Long Beach, N. J., on a charge of kidnapping her four year old daughter from Chicago was denied today by Governor Small.

Mrs. Peers, who married Henry M. Peers, a New York broker two years ago after divorcing James Seville of Chicago, took the child from her grandparents to the south side of Chicago, it was charged.

Attorney Alfred Fordham, representing Mrs. Peers, stated her divorce from Seville occurred in Tennessee on a date later a Tennessee court had permitted the child's grandparents to legally adopt her. The evidence before the governor showed the adoption proceedings were conducted without notice to Mrs. Peers and the governor therefore refused to honor the requisition.

There is some significance in the mere fact that 86 business men of Williamson county have joined in giving bond for all but six or eight of the men indicted as the result of the Herrin horror.

Mr. Searcy, who is the regular Republican candidate for senator in this district, well says that there is a demand in this state for economy in the administration of state affairs. This is especially true now since business has passed thru a period of depression. Mr. Searcy gives the good promise that if elected he will devote his best efforts toward maintaining economy in state affairs.

Senator LaFollette predicts that a new party will come into being in the course of another year or two, which will largely supplant the old parties. No doubt the Wisconsin senator, who is admittedly popular in his own state and so out of accord with his own party, would welcome the new organization and might be persuaded to be its leader.

The Springfield Journal with good logic continues to condemn coal operators for the prices now being charged consumers. The Journal says that the course of the operators has made many people feel disposed toward government operation of the mines who generally believe that business should not be conducted by government agencies.

Secretary of State Emmerson has reason to feel complacent over the financial showing made by the special automobile inspectors whose appointments were made possible by a bill passed

ed upon the final day of the sessions of the last general assembly. The records indicate that following up violators of the state automobile laws has resulted in fines amounting to more than \$250,000, while salaries and other expenses made under the act are about \$50,000.

The work of General Wood in the Philippines is said to be hampered by lack of finances and that this condition will continue during the remaining months of his work over there. If the Filipinos were asked about the matter they would probably say that the taxes are high and provide ample funds for all necessary work and improvement. Taxpayers always have a feeling that taxes are heavy enough.

**GREATEST EVILS AS MAYORS SEE THEM.**

The Quincy Herald brings to attention in a forceful way the composite opinion of mayors of fifty or more cities concerning the greatest evils of the day:

"The four major evils of today are lack of parental control of children, the wrong use of the motor car, the modern dance and the immoral moving picture show, according to the mayors of fifty or more cities of the United States who answered a questionnaire sent to them by George H. McAnnally of Konawa, Okla.

"Parents are too lenient," one mayor replied. "Too many boys and girls are loose on the streets at night." Another mayor said that boys and girls have too much idle time on hand—not enough real work.

"It seems that paternal control of our children is a thing of the past," wrote another. "Children are turned loose at night to come home at any hour they may choose."

"Regarding the improper use of the motor car, one mayor wrote: 'Midnight oil was once used as an aid to education, now it is used for lubrication. Another said he considered the improper use of the automobile alarming, and many characters are going down thereby.' 'It is the greatest curse that ever menaced American childhood,' another replied.

"Commenting on these replies McAnnally says: 'Late motor car riding and spooning will have to end or good character will end. The two cannot survive together.'"

BY BERTON BRALEY

TENNIS has a savor, baseball has a thrill,  
Golf possesses magic when it's played with proper skill,  
But all of them seem pallid, and all of them seem tame,  
When staked against the glory of the truly Royal Game;  
I tremble like a jelly, and I holler like a kid,  
When twenty-two young giants get out upon the grid!

I LOVE to watch the pigskin when it's booted with a thud,  
I love to see the scrimmages go heaping in the mud,  
And there's no panorama that has ever been unequalled  
Like watching some young Lochinvar go through a broken field;  
My ecstasy boils over, I cannot keep it hid,  
When twenty-two behemoths are battling on the grid.

THE crowds that shriek and thunder, the pennants all awave,  
The youth that chants its slogans forever blithe and brave,  
The strength and grit and spirit of backfield and of line  
That battle for their colleges with courage high and fine;  
Oh, it's the game triumphant, all other sports amid,  
When twenty-two leviathans are tearing up the grid!

**SEEKING RECRUITS FOR AIR SERVICE**

Lieut. Harold McGinnis Will Spend Several Weeks in Home City

A group of men in the air service of the U. S. army will come to Jacksonville today and under command of Lieutenant Harold McGinnis will engage in recruiting work in this city and vicinity for a number of weeks.

Lieut. McGinnis arrived yesterday and has established quarters in the chamber of commerce rooms. Stations are also to be maintained in some of the towns within a radius of twenty miles of Jacksonville and Lieut. McGinnis is in hopes of securing a number of men for this attractive branch of the service.

Lieut. McGinnis is now located at Chanute Field where he is judge advocate of the post, and has other duties as well. During the summer he was at Camp Knox and prior to that time at Houston, Tex.

Men who enlist in the air service must have more educational qualifications than is true for some other line of army service. Young men of high school education are preferred and in the service exceptional opportunities for study and advancement are offered, especially along technical lines.

The training school at Chanute field is said to be the largest of its kind in the world. It is quite probable that before the period of recruiting ends here that a number of air men will come here with their machines for a special exhibit in connection with an advertising stunt for local merchants.

Lieut. McGinnis is well and favorably known here and that fact will aid in his enlistment work.

DO YOU REMEMBER?

(BY ENSLEY MOORE)  
Member Illinois State Historical Society

Gen. Murray McConnell? He was a short man, and in his latter days had a dark complexion, wearing no whiskers. His eyes were black and bright—thereby evidencing the keen intellect of one of the very first lawyers of Jacksonville and of Illinois. He was first not only in coming here in 1819, or 1820, but also in his ability. He built several good houses—one the two story frame where Mathers and Wadsworth had the "Sligo Iron and Hardware" sign, on the East side of the Square, next to the Congregational Church; another was the large story and a half and basement house, at the south east corner of North Main and Washington streets, where Robert Hockenull lived nearly ten years—say 1850 to 1857; still another was the old style house, nearly opposite Hockenull's where Capt. John L. McConnell lived; still another was the two story house, with a wing on each side of it; just south of John McConnell's both houses fronting east on North Main street.

Smiley H. Henderson? Who built and kept the three story brick north east corner of the Square at Court and Main streets. He was the father of "Squire" Amos Henderson of today. He was short and his face and hair resembled Gen. McConnell's in a way. He kept a grocery store—more properly a "general" store. He was the father of Mrs. Philip Lee and of Mrs. William Hamilton, Jr., two of our best known ladies. Mr. Henderson came in 1828.

Robert Hockenull, being an Englishman, and not bringing as many "h's" with him as he should have done, used to call Mr. Henderson "Smiley" Henderson. They were near neighbors in business location on the Square. Mr. Henderson had been here at least fifty years, in 1885.

Chatham H. Stimmus was a big-framed, strong Kentuckian, who kept a general store on the south side of the Square, where Bradys

## UNLOOSE GREAT TRACT OF UNTOUCHED PINE

Government Opens Tract Containing 770,000,000 Feet of Western Yellow Pine.

WASHINGTON. — The first unit of a large tract untouched pine, opened for logging under a recent order of the government forest service, will give 770,000,000 feet of western yellow pine to the lumber industry, according to a statement of the National Lumber Manufacturers Association.

According to the plan of the forest service, part of the Malheur national forest in Oregon will be opened for logging, each unit to be an operation covering 20 years. By reforestation the government service plans a continuous logging plan, the first unit being ready for second logging operations by the time the last unit has been cleared the first time. The opening of the Malheur forest to lumbering means more than 7,000,000 feet of timber in the entire forest will be placed on the lumber market over a long period of years. This also will open for settlement an agricultural country with area of 10,000 square miles, about twice that of Massachusetts.

The mill site recommended is at Burns, Oregon, a village of about 1,000 people, thirty miles northwest of Crane, the present terminus of a branch of the Oregon Short Line of the Union Pacific, said the association statement. "From Burns on, however whoever buys the timber will have to build a logging railway, which is required to be a common carrier, for a distance of fifty miles to Seneca. The country is open and with easy slopes extremely well adapted to economical logging and easy railway building with low gradients. The Forest Service estimates that exclusive of the line from Crane to Burns, whoever takes this timber will have to expend approximately \$3,000,000 on railway, mill and operation up to the end of the first operating year. The mill would be a modern type of band mill with head rigs and one or more saws, having on a double shift a capacity of 60,000 000 feet a year. The forest fire hazard in this region is represented as being very low.

It is stipulated that the mill must be in operation by April 1, 1923, and that stumpage prices will be readjusted every three years thereafter.

Because of lack of railways there are 10,000 square miles of country in Harney, Grant and Cook counties, almost entirely given over now to sheep and cattle. This section is locally described from a settlement point of view, as the last pointer in the United States. The coming of railways, irrigation and reclamation will make available for the plow nearly 200,000 acres of excellent land.

## CHAPIN WOMAN'S CLUB MET TUESDAY

Mrs. Nienhauser Hostess to Organization—Other Chapin News Notes.

Chapin, Sept. 26.—Mr. and Mrs. Henry Vortmen very delightfully entertained at a six o'clock dinner Sunday evening. After the delicious dinner the evening was pleasantly passed with music and conversation. The guests were: Misses Jeanette Vortman, Hermoni Fahbush; Messrs. Austin Moody and Harold Jewsbury.

Mrs. Elsie Moody Adams and little daughter went to Camp Point Tuesday morning, called there by the illness of her father-in-law, Mr. Adams.

Mrs. Ada Funk is spending some time with her daughter Mrs. Lloyd Ross at Jacksonville.

Mr. and Mrs. J. C. Moore and daughter, Miss Annette Morse of Chandlerville spent Tuesday with Mr. and Mrs. H. K. Onken and Mrs. Mary Butcher.

A large crowd was in attendance at the Hogan sale Tuesday. An aid society from Jacksonville very efficiently took charge of the lunch serving.

Mrs. E. H. Nienhauser was hostess to the Chapin Woman's club Tuesday afternoon. A large attendance of the club and a number of guests made an interesting meeting. Memory Gems were given in answer to roll call. Mrs. Frank Kellogg read a well prepared paper, her subject being, "Something About Norway." Mrs. Minnie Antrobus of Newman, Cal., a former club member was present and in a very interesting manner discussed the conditions around Newman which is located in a dairy district, alfalfa being the principal crop.

A social hour followed and the hostess assisted by Mrs. G. A. Allen, Mrs. P. H. Ham and Miss Amy Onken served refreshments. Mrs. Minnie Antrobus of Newman, Calif., Mrs. B. A. Cratz of Concord, Mrs. James Wallace and Miss Dorothy Kennedy were special guests.

Miss Isabelle Fox has taken up her musical studies at the Conservatory again this year, going up to Jacksonville two days each week. Her work this year is voice and public school music.

Mrs. C. R. Bell and son Wilbur of Saldora were listed among Jacksonville shoppers yesterday.

## MRS. A. S. WRIGHT DIES AT HOME IN WOODSTOCK

Mrs. A. S. Wright died at her home in Woodstock, Ill., recently. During the administration of Gov. Yates Mrs. Wright was a member of the board of state commissioners of public charities and in that capacity visited the state institutions here. Acquaintances made at that time will be sorry to know of Mrs. Wright's death.

She had long been a resident of McHenry county and active in the religious and literary life of her home community.

The funeral service was conducted by Rev. William Kilbourne of Canton, a former pastor and for many years a personal friend of the deceased. Mrs. Wright is survived by her husband and one daughter, two sisters and a brother.

In his personal tribute to the deceased, Rev. Mr. Kilbourne said: Our friend, Mrs. Ollie Wright, practically had the care of three families and with each she did well. This home was the gathering place of young people for a long time and she was the youngest in the group at all times, entering into all their pleasures and enjoyments.

She was the first president of the Woman's club, one of the organizers and for three years the head of the Eastern Star. Of her

**MISS KIRKPATRICK WEDS MR. SHOEMAKER**

Handsomely Planned Ceremony Took Place at M. E. Church in White Hall.

WHITE HALL, Sept. 26.—The marriage of Miss Myra A. Kirkpatrick of this city and Charles H. Shoemaker of Griggsville was solemnized here this afternoon at the First Methodist church. The ceremony was performed by Rev. J. O. Kirkpatrick, the bride's father, who was assisted by Rev. J. L. Anderson of Chicago. The impressive double ring service was used.

Miss Lottie Beggs of Ashland and Miss Grace Hasenstab of Jacksonville; Dr. John Kirkpatrick of Chicago and Dr. Carl Erick of St. Louis were the attendants.

Jessie McKeown of Griggsville was the dainty flower girl and her brother, John H. McKeown, ring bearer. Edwin Beggs of Ashland and Dudley Butterfield of Griggsville were the ushers.

The church was very handsomely decorated with flowers and foliage and a large company of relatives and friends assembled there. As the guests were assembling Miss Rita Arnold at the organ played several numbers, Miss Kate Ellis sang "Beloved It is Morn," and Miss Mary Ellis "O, Perfect Day."

As the wedding party entered the church the wedding music from Lohengrin was played by Miss Arnold and the recessional was the Mendelssohn march.

The bride's gown was of white satin crepe with panel effect of embroidered lace. Her sweeping tulle veil was caught with orange blossoms and she carried a bouquet of white roses.

Following the church service a reception was given at the home of Rev. and Mrs. J. O. Kirkpatrick, members of the wedding party receiving. The house decorations were very handsome, done in orange and lavender tones. In the dining room Mrs. J. L. Anderson of Chicago and Miss Myra Beggs of Ashland, aunts of the bride, noored and a number of young ladies assisted.

The bride is the only daughter of the Rev. and Mrs. J. O. Kirkpatrick, and is a graduate of the Illinois Woman's college of Jacksonville, and also took a two years' post graduate course in the Northwestern university. For the past two years she has taught in the Griggsville high school.

The groom is the son of Mrs. M. Alice Shoemaker of Griggsville and is associated with Mr. Hunter in the lumber business at that place. He is a graduate of the Griggsville high school and studied a few years in the Bradley Polytechnic college, later teaching, manual training. He served in the navy during the World War.

They left Tuesday evening for an automobile trip without telling their friends their destination. However, they will be at home to their friends in Griggsville after Oct. 15.

Out of town guests included Mr. and Mrs. E. S. Hoyt of Griggsville, grandparents of the groom, Mrs. A. E. Shoemaker, grandmother of the groom, Mrs. M. Alice Shoemaker, mother of the groom, Mrs. Margaret Yates, Master Dudley Butterfield, the Misses Helen and Elsie Crow, Mr. and Mrs. Henry McKeown and three children, Clinton, Jessie and John

**KEEP DRILLING IN DECATUR OIL FIELD**

Interest in the Decatur oil field continues, altho a number of dry holes have been put down. Decatur business men organized a company in order to give the field a thorough test, realizing that the finding of oil would mean a wonderful amount of additional business for Decatur.

Geologists have been on the field and are giving the oil operators their best judgment. In well No. 1 on Bledsoe land the first showing of oil was found at 1998 feet and drilling has continued to the depth of 2,062 feet.

While no great quantity of oil has been discovered, the showing is sufficient to warrant the drilling of another well on the same

farm. In the field near Boody still a third well is to be sunk. From the formations that have been located it is estimated that oil sand will be reached at a depth of 1800 to 1900 feet.

**RUSSIAN COMPANIES PLAYING IN EUROPE**

Have Revolutionized Theaters of Central Europe—Many Companies Playing in European Capitals.

Berlin. — (By The Associated Press.)—Russian dramatic art is revolutionizing the theaters of central Europe. Actors, singers and dancers who were forced to leave Russia because of political troubles and the food shortage first found their way into music halls and cabarets, and recently the regularly organized Russian companies have obtained permission from the Soviet government to leave Russia for short engagements in European capitals.

Fifty players from the Moscow Art Theater, in many ways the most celebrated theater in the world, are now in Berlin offering a number of their productions just as they present them in Moscow. Among the plays in their repertory are "Cricket on the Hearth," Strindberg's "Eric Fourteenth" and "Twelfth Night."

Berlin now has a Russian population of nearly 200,000, and it consequently affords large audiences for productions in the Russian language. The company's work is notable for the natural methods of the players, the lack of stars, and the marvelous ability of all actors to contribute to the perfection of the stage picture. The ability of Russians as pantomimists and dancers has made it possible for them to enter the variety houses in all the European capitals as well as at the various seaside casinos. Ostend and Scheveningen are giving employment to many Russian performers and singers. They have found places in the French and German variety theaters, and they are making their way to America in large numbers.

Russian dancers are so thoroughly trained and are able to offer such a varied program of classical, folk and character dances that dancers of other nations in Europe find it difficult to compete with them.

Miss Grace Rapp spent the day yesterday with friends in Springfield.

Lynn, Mr. and Mrs. Earl Hemphill, Mrs. Herman Strandberg and Andrew Anderson, all of Jacksonville.

**Entertain Friends at Country Home.**  
Dr. and Mrs. Ellsworth Black entertained a number of friends last evening at the country home of Dr. Carl Black, near Virginia. The guests list included a number of Jacksonville people who motored out late in the afternoon. A delicious picnic supper was served and the evening hours enjoyably spent with various forms of entertainment.

**Miss Carroll Gave Dinner-Dance.**  
Miss Fay Carroll entertained a number of friends at an informal dinner-dance Tuesday evening at her home on South East street. A delightful six course dinner was served after which the officers for the Delta Pi society were elected.

Late in the evening the couples enjoyed dancing until a late hour.

**Mrs. Drury Hostess To Club.**

Mrs. Charles Drury entertained the members of the Orleans Country club yesterday afternoon.

**CURED HER RHEUMATISM**

Knowing from terrible experience the suffering caused by rheumatism, Mrs. J. E. Hurst, who lives at 608 E. Douglas Street, C-128, Bloomington, Ill., is so thankful at having cured herself that she writes to tell all other sufferers just how to get rid of their torture by a simple way at home.

Mrs. Hurst has nothing to sell. Merely mail your own name and address, and she will gladly send you this valuable information entirely free. Write her at once before you forget.

at her home near Orleans. "The Sun," was the topic of the first paper which was read by Mrs. Hilding Mattison. Mrs. Clyde Cox had the other paper which was a discussion of "The Moon and the Stars." Mrs. Clark Stevenson is the chairman of the year book and she assisted on the committee by Mrs. E. M. Tindall and Mrs. Rose Greenleaf. The committee has planned the program for the year and the new work will be commenced at the first meeting in November. After a discussion of the new program the meeting adjourned to a pleasant social hour and the hostess served attractive refreshments.

**Dean and Mrs. Scott Entertain Illinois College Freshmen.**

One hundred and thirty-four freshmen of Illinois college were guests at a big get acquainted party given last evening by Dean and Mrs. G. H. Scott at their home on Grove street. This is an annual affair given by the dean and last night's party proved a most gay and interesting one for all the many guests. Mrs. Scott was assisted in entertaining by six high school seniors, Misses Helen Walton, Caroline Doane, Mary Edith Baumgartner, Maude Eve Hackett, Lavina Scott and Lois Harney.

The hours of the evening were given over to getting acquainted with each other and the hostess had planned a number of clever entertainments which helped every one to know every one else. The guests were given colored cards which divided them into five groups and they were then given cards corresponding to dance programs. They then chose their partners for two minutes of conversation and at the blowing of the whistle a topic of conversation was announced and everyone talked on the subject announced. In this way the members of each group became acquainted with each other and when the "Extras" were announced the young people were allowed to choose their partners from any of the five groups. Another means of becoming acquainted was a contest in which each guest wrote the names, and high schools of as many other students as he could remember. To the one who remembered the largest number of names of his fellow students, was presented an Illinois college pennant.

The party was a great success in every way and the large class of freshmen became pretty well acquainted. Delicious refreshments were served during the evening and the well known hospitality of the Scott home was greatly enjoyed. Fall flowers were used in attractive decorations throughout the house.

**Sophomore Annual Banquet Last Night.**

The annual banquet of the Sophomore class of Illinois college was held at the Peacock Inn Tuesday evening with about fifty members present. Dr. and Mrs. Bussey were guests.

The banquet was held in the blue room and following the banquet dancing was enjoyed, music was furnished by Brown's serenaders.

Miss Dorothy Farrell acted as toastmistress and responses were made by Dr. and Mrs. Bussey. The former spoke on the future of the class. Miss Clara Smith gave a piano number. The blue room was tastefully decorated for the occasion, blue and gold the class colors being used.

Mrs. George Heffner of Arenzville spent the day in the city yesterday visiting with friends.

## WILLIAM HOGAN HELD CLOSING OUT SALE

Disposed of Personal Property Tuesday — Will Move to This City.

William Hogan held a closing out sale at his farm one mile south of Chapin Tuesday. There was a good attendance and prices generally were satisfactory. The sale totalled about \$4,400.

Beddingfield and Sappington were the auctioneers while T. U. Markham and George Hogan served as clerks. The Ladies' Aid society of the Church of Our Savior served lunch.

Mr. Hogan has rented his farm to Charles Baker and expects to remove to this city and make his home.

Hogs ranged in price from \$10 to \$15 for shoats to \$50 for sows and gilts. One team of horses sold for \$175, and another brought \$176. One cow and calf brought \$73. Other cow prices ranged from \$45 to \$50 and fat cows sold at \$60.

## MATRIMONY

**Pixley-Badger**  
Copies of "Oak Leaves," published at Oak Park, Ill., received in Jacksonville tell of the recent marriage in Oak Park of Miss Ruth Badger, formerly of this city, to Mr. Boyd Pixley. The ceremony took place at the Pixley home, 301 South Elmwood avenue, with Dr. James Alexander Jenkins, formerly of the Warren Congregational church officiating.

The bride, who has spent most of the years of her life in Jacksonville, is a daughter of Mr. and Mrs. William S. Badger, who are living at St. Charles, Ill., but still count Jacksonville as their home.

Mrs. Pixley is a graduate of Illinois college and was very popular in student days. After graduating she became a successful teacher.

Mr. Pixley, who is prominent in church, social and business circles in Oak Park, is vice president of the Pixley & Ehlers Corp. The attendants at the wedding were Mr. and Mrs. Harlan G. Greenfield of Chicago.

Mr. and Mrs. Pixley are to live at the Oak Park Arms at Oak Park.

# Instant Quaker Oats

Cooks to perfection in 3 to 5 minutes

## You Can Sleep

Longer now, if you wish

Quaker Oats now comes in two styles, identical in quality and flavor.

Our experts have perfected Instant Quaker Oats—the quickest cooking oats in the world. It cooks in from 3 to 5 minutes, and it cooks to perfection.

Now your oat dish can be ready, if you wish, before the eggs or coffee.

### Now two great supremacies

Now Quaker Oats in two ways excel any other oats in existence. Long ago their flavor won the world. It has made Quaker Oats the dominant brand wherever oats lovers live.

Quaker is flaked from queen grains only—just the rich, plump, flavorful oats. We get but ten pounds from a bushel, but those ten pounds are the finest oats that people ever get.

Now comes quick cooking. Instant Quaker is flaked from the same queen grains. But the oats are cut before flaking. They are rolled very thin and are partly cooked. So the flakes are smaller and thinner—that is all. And those small, thin flakes cook quickly.

If you want exquisite flavor you must get Quaker Oats. If you want five-minute cooking you must get them. Get either or both, as you like. But get Quaker always if you want this dish delightful.

#### Regular Quaker Oats

Come in package at left—the style you have always known.

#### Instant Quaker Oats

### JOYFUL FAMILY REUNION

"Two of my brothers, a sister, as well as myself have been chronically suffering from gas in stomach, indigestion, pain in right side near appendix and liver trouble for many years. My sister tried May's Wonderful Remedy with such good results that we all took a course of it and it helped in each case. Last Sunday we had a family reunion in celebration of our recovery and what we all did eat." It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded. For sale by all druggists.

Before Billie starts to school you want his photograph. In photographing the children we take particular pains for results that will prove particularly pleasing.

## George Southerland

Newly Appointed Associate Justice of the U. S. Supreme Court

George Southerland, newly appointed associate justice of the U. S. supreme court, as he is today, with insets of him as a youth, when he was studying the law and at the age of 25, when he ran for mayor of Provo, Utah.

PROVO, Utah—One Sunday morning in July, 1872, a 10 year old boy named George Southerland joined his smaller brothers in a trip to the "old swimming hole," in Spring creek, a mile from the Southerland home in Springville, a little town near here.

The boys had been cleaned up for Sunday school. But they took a plunge instead.

On their return home, later, they met a younger sister, Fannie. And it was then that George Southerland won his case.

Sister Fannie acted as judge jury and prosecuting witness, and after listening to the touching plea put up by George for himself and his brothers, she returned a verdict stipulating that Mother Southerland was never to hear or the swimming affair.

This same George Southerland has recently been appointed associate justice of the United States supreme court to fill the vacancy caused by the resignation of John N. Clarke, effective September 18.

All proud of George.

All of the participants of this little episode, except George live in Provo. And, say Henry, James and Fred Southerland.

"We certainly are proud of the achievements of our brother, George. He deserves the honor bestowed upon him by President Harding."

The Southerland family came to Springville from Buckinghamshire, England, when George, the oldest child of the family, was a

year and a half old.

After finishing the grade schools George at the age of 12, went to Salt Lake City, and worked as a clerk in a clothing store. In the meantime the family had moved to Silver City where the father was postmaster and recorder.

George soon returned home and induced a telegraph operator in Silver City to teach him arithmetic and other studies.

At the age of 17 he entered the Brigham Young academy, now University of Provo. There he worked his way thru school by keeping books for several grocery stores.

Ran for Mayor.

Some time later, Southerland's father, who had been studying law in his leisure time, moved his family to Provo where he opened a law office. He encouraged George to study law.

When Southerland was 25 years old he ran for mayor of Provo. At that time the tickets in the field were the Liberal and the Peoples, and George headed the former. He was defeated by a small margin.

Shortly afterward he moved to Salt Lake City, where he opened an office which he has maintained in the intervals of his public career. Since that time he has been continually before the public both in the state and nationally, as a lawyer and a lawmaker in the state legislature and in the United States senate.

Miss Laveign Rochester is filling the vacancy during her absence.

Mr. and Mrs. Elmer Sooy visited the former's parents, Mr. and Mrs. Charles Sooy in Murrayville Sunday.

Mrs. E. G. Saye of Jacksonville spent Monday with her father, J. C. Andrus Sr.

Mrs. George Smith of the Grace Chapel neighborhood was a visitor to the city yesterday.

Daniel Green of Chicago spent the week end with his sisters, Mrs. Margaret Walton and Mrs. William Pearce. Mr. Green went to White Hall Sunday for a visit with another sister, Mrs. W. B. Strang before returning to his home.

Among Jacksonville shoppers Saturday were T. M. Whitlock, son Raymond; Mrs. Guy Brown and Miss Florence Lemon, Mr. and Mrs. F. F. Clark, Mrs. William Clark and daughter Ethel.

Miss Mina Greenwalt spent Sunday with Mrs. E. G. Saye in Jacksonville.

The families of W. G. Day and Mrs. George Blackburn enjoyed a trip to the river on Friday.

Clark Baldwin of Denver, Colo., spent Thursday at the home of Henry Heaton.

A. E. Mansfield and family of near Scottville spent Sunday with Mrs. Josephine Rochester and family.

Miss Elizabeth Herron shopped in Jacksonville Monday.

Miss Mary Cummings who is teaching the Berea school spent the week end with home folks.

Miss Goldie Rochester is enjoying a two weeks vacation from her duties in the telephone office.

### THE FACE IN THE MIRROR

Your face, does it wear the contented expression of good health, or are the features drawn and pallid? In the latter case, your story is read by all who see you, and what women of spirit want to be pitied for her physical condition? There is a way to get the nervous, tired lines out of your face and the slump out of your body. The use of that standard remedy, Lydia E. Pinkham's Vegetable Compound, will strengthen the nerves and tone up the system to resist excessive fatigue.

## Civil War's Last Fight Under Way

MAJOR STEDMAN (left) AND GENERAL SHERWOOD

By NEA Service

Washington—The last battle of the Civil War is now being fought in Toledo, Ohio.

Unless General Isaac T. Sherwood wins—

The last Union soldier will probably have gone forever from Washington's Capitol Hill, leaving it in the proud possession of a lone Confederate major.

For sixteen years, fourteen of them consecutively, General Sherwood had served in Congress. When he was swept out of office in the Republican landslide of 1920, he decided to retire.

But his friends wanted him to run again. There still is a Southern soldier in the House—Major Charles M. Stedman, 81, of Greensboro, N. C.

So General Sherwood decided to pitch in again. He was nominated by the Democratic party in Ohio without any opposition.

Altho nearly 88, the Union soldier says he feels better now than he did in 1906 when he staged his first come-back. He intends to do more than "shake hands and stage a sentimental contest."

He will go on the stump. Heckled recently by someone taxing him with being too old to run, he replied:

"Is that so?"

"Most of my opponents in other campaigns are dead. I am 87, and statistics show very few men die at that age."

If the General gets back to Congress, he and Major Stedman long time friends, expect to show the younger members a thing or two.

## WHITE HALL DOCTOR'S CAR BADLY DAMAGED

Upholstering of Dr. W. W. Billings' New Runabout Slashed by Unknown Person — Other White Hall News.

WHITE HALL, Sept. 26.—A most revolting act of vandalism is shown in the condition of the new Nash runabout of Dr. W. W. Billings with the upholstery slashed to pieces. The car has been in use only a few weeks, and the loss is an important item. Dr. Billings has experienced some threatening remarks from one or more of his debtors, whose threats came with action to enforce collection of accounts for medical service, and it appears that Dr. Billings has a pretty fair idea of the identity of the culprit. The annual Baptist chicken fry has been set for October 12. It

will probably be held in the Dowdall bank building.

White Hall's reputation as a show center is well maintained, according to Al T. Holstein, general agent of the Mighty Doris Exposition shows, who was down from Peoria during the week-end and completed arrangements for the use of the combined Ellington and Wood lots for the appearance during the week of October 2. The fencing will be removed to provide room for the six riding devices and ten shows, which are conveyed in a train of 25 cars, the largest carnival attraction that has ever come to White Hall. Mr. Holstein chose White Hall, he says, in preference to larger towns in this section because of the surrounding population offering greater inducements as to total population for the immense patronage to sustain such an immense aggregation, this being proven in the recent visit of the Gollman circus.

William Singleton came over from Pittsfield to attend the funeral of his brother, J. R. Singleton, at 10 a. m. Monday. This was one of the large funerals held in White Hall, all business being suspended during the funeral hour in tribute to this grand friend of the poor people of the community that appears to be the secret of the deceased's rise in local business circles.

## TO THE VOTERS OF THIS DISTRICT

In announcing my candidacy on the Law and Order ticket for State Senator for the 45th Senatorial District, I do so with full knowledge of the strenuous campaign I will have to conduct in this district. My defeat in the primaries on April the 11th was accomplished by theft and fraud in Sangamon County. The little paltry sneers at my stand on public and moral questions by my opponents have long since become pointless and powerless to hurt.

Such is the state of public morals and the state of public sentiment that a man who dares to defy the powerful political machine in power is classed as a reformer and disturber.

Loyalty to principle is infinitely superior to loyalty to faction or party.

No American citizen objects to being defeated fairly and honestly by voters of his own party; but anyone resents the party nomination being stolen from him by

every crooked method known to the underworld politician.

The greatest political sin of today is disrespect for and the non-enforcement of law by professional politicians who are elected to office.

For myself I am determined to agitate the subject of lawlessness to the utmost. I realize in Morgan County the conditions are different from those in Sangamon County in regard to law enforcement; nothing but death shall prevent me from denouncing official anarchy in Sangamon County which has no parallel in human depravity.

Because a certain candidate for senator has received the sacramental function of a so-called regular nomination, he should not be supported in the election if nominated by theft and fraud. We cannot say and retain our self-respect, "Our party right or wrong." The time has long since passed when certain commercial politicians can order the voter to support candidates that have not been honestly nominated. Every person in political life should have

the courage of his conviction and a willingness to suffer for a principle.

Nothing but patriotism should impose limits upon a declaration of principles.

I respectfully solicit the support of all persons who believe in law and order; and I pledge myself to vote for all measures that would be a benefit to the people of this district.

JOHN A. WHEELER.

## WILL SPEAK AT NORTHMINSTER

A. F. Sardina, who has recently returned from a visit with relatives in the Isle of Madeira, will speak of his travels at Northminster Presbyterian church this evening. Mr. Sardina had been absent from his native home for 32 years. He will tell of the changes that have taken place since that time and relate many other things that will be of interest. Every one is invited to hear him.

H. C. Massey of south of the city was a caller on local business men yesterday.

## The Ladder of Life

THE bottom rungs are badly overcrowded, but there is still plenty of room at the top.

What is it that has lifted others—and can lift you—to a higher place upon life's ladder?

Abundant energy for every-day use, and ample reserve energy for emergencies.

If you have the ambition to succeed, and want to keep your whole body charged with driving energy, feed your body scientifically. In place of heavy, starchy, too highly seasoned dishes, eat food such as Grape-Nuts, which supplies unusual nourishment to all the body tissues

without overtaxing the digestion or clogging the system with poisonous waste matter.

Eaten with good milk or cream, Grape-Nuts is a complete food, particularly rich in mineral elements—which are so necessary for normal and vigorous development.

The sturdy nutriment of wheat and malted barley is made easily digestible by more than 20 hours' baking which also accounts for that distinctive charm of flavor found only in Grape-Nuts.

Where you don't find Grape-Nuts, you won't find people!

## YORK MADE IT THREE OUT OF FOUR

Win Last Game of Series,  
to 3—Groh and Cunningham  
Home Runs Within  
the Grounds.

YORK, Sept. 26.—The York Nationals made it out of four from St. Louis today 6 to 3. Nohr was hard at times but settled in the closing innings. Groh and Cunningham both hit home within the grounds. Pitching of St. Louis became ineffectual when he was taken out of box during a Giant batting in the fifth and threw the over the grand stand roof.

## What Loss of One Player May Mean in a World Series

This is the sixth of seven articles written for the Journal by Eddie Collins of the Chicago White Sox. Collins has played in more world series games than any other major league player.

By EDDIE COLLINS  
World's Greatest Second Baseman

WHILE trying to figure out the dope on the chances of the Giants, Yankees or Browns being the 1922 world series champion, the thought occurred to me how much of an upset in the calculations would the loss thru injury of a man like Sisler from the Browns or Kelly from the Giants, or Pipp from the Yanks' lineup mean?

Rather odd, but a fact nevertheless, that just previous to a great many world series, some number of one of the contesting teams has been rendered hors de combat.

As far back as 1905, Rube Wadell was incapacitated as far as baseball was concerned, in a friendly rough-and-tumble straw hat breaking affair.

Rossman took a forced leave of absence from one of the Detroit-Cub affairs in 1907 or '08. Johnny Evers broke a leg just previous to the 1910 Cub-Athletic series.

The loss of one of the regulars from the lineup of a world series contesting team is not only an actual loss, but is very apt to have

## ROUTT COLLEGE TO HAVE FOOTBALL

Route College is going in for football this season. Coach Connen has a squad of 25 men practicing every afternoon. Most of them are reported to be shaping up in good style and the school is hoping to put a strong team in the field by the time the season opens.

"Bud" Gebert is captain of the new aggregation and Clarence Maloney is the manager. As yet they have no games booked but are in touch of several schools and hope to soon be able to announce a schedule.

Route College has not been in the football game for several seasons but have had some strong basketball teams. If the boys play football as well as they have basketball the teams that contest with them may expect to meet strong opposition.

## WHITE SOX BLANK POSTUM CEREAL TEAM

Battle Creek, Mich., Sept. 26.—Charlie Robertson of no-hit fame gave the Postum Cereal baseball team something to swing at today in an exhibition game between the Chicago White Sox and the local club.

The Sox won 10 to 0. Davenport hurled four innings for the big leaguers.

## TOMMY O'BRIEN GETS SUSPENSION

Milwaukee, Wis., Sept. 26.—Tommy O'Brien, Los Angeles lightweight boxer today was suspended for three months by the Wisconsin Boxing Commission as a result of charges filed against him by Referee Houlehan. The charges were the outgrowth of the recent Mitchell-O'Brien fight. O'Brien was adjudged guilty of holding, clinching and tripping.

Pinkey Mitchell's case, which was to be heard at the same time was postponed until Tuesday owing to an illness in the Mitchell home.

## GREB READY TO BATTLE WITH SIKI

Toronto, Ont., Sept. 26.—Harry Greb, of Pittsburgh, American light heavyweight boxing champion, declared tonight he was ready to fight Battling Siki, Senegalese conqueror of Georges Carpentier, "any time, any where for any reasonable amount of money."

WON ANOTHER MATCH  
Miss Anderson, lady billiardist expert, played a match game at the Drexel last evening with Mr. Hudson, defeating him in a score straight run of 50 to 34. A large crowd of fans witnessed the game. Tonight Miss Anderson will give an exhibition of her skill at Ashland.

Claude Kennett of Orleans was among the visitors to the city yesterday.

ATTENTION ELKS

Full attendance is desired.  
H. L. Caldwell, E. R. E. P. Alexander, Secy.

Stuffy McInnis, Rube Oldring, Fred Merkle, Red Smith, Jack Barry, the late Ray Chapman, and Babe Ruth are other notables I recall offhand who were forced out of whole or part of world series because of injuries. And in the majority of cases the absentees were members of the losing team.

## Teamwork Counts

What of it? Just this: The success of every championship team, I believe, is due primarily to team work.

There are lots of good ball teams where teamwork is not so obvious, but very few championships are won without it.

I know that the absolute harmonies co-operation of the Athletics was the secret of their success from 1909 to 1914.

A good ball team might be likened to a well-oiled piece of machinery. The various players represent the cogs. Failure to hustle, loafing, or otherwise not putting forth one's best efforts to win, is apt to throw the whole machine out of gear, and spill the works. Just so take out one of the important cogs and the effectiveness of your machine is impaired. It happens occasionally but not often that the substitute shines even better than the regular. One instance, George Rohe.

White Sox who substituted for Lee Tannehill was the series star in 1906.

The loss of one of the regulars from the lineup of a world series contesting team is not only an actual loss, but is very apt to have

## SARAZEN WILL NOT DEFEND TITLE

NASHVILLE, Tenn., Sept. 26.—Gene Sarazen will not defend his title as open golf champion of the south in the fourth tournament at the Belle Meade Country Club here, beginning Thursday, according to a telegram received today by officials in charge of the event. The Pittsburgh star gave no reason for his decision club officials expressed the belief that the cause given when he cancelled his tour of the country a few days ago when he stated that he was "over golfed" probably applied in this case.

"Long Jim" Barnes, former open title holder, Emmet French, Ohio State champion and Willie Mehlhorn, of Shreveport, mid-play football as well as they have basketball the teams that contest with them may expect to meet strong opposition.

## FINALS PLAYED IN LADIES FLAG TOURNAY

Mrs. Paul Moriarty Wins In Play Off of Tie—Kiwanis Team to Play at Decatur.

The ladies flag tournament held ten days ago resulted in a tie between Mrs. Paul Moriarty, Miss Edith Jordan and Mrs. Wood Phillips. These three all died on the ninth green in the tournament but in the match Tuesday Mrs. Moriarty by her consistent playing won the match and holed out her last shot on the ninth green. This shows that the method of handicapping adopted by the tournament committee is the correct one as it is possible for any player by consistent playing to attend the district convention at Decatur will be preceded by the number of strokes allowed them under the present handicapping system.

It is the intention of the tournament committee to hold several more handicap tournaments before the season closes.

Kiwanians to Play at Decatur.  
Local Kiwanians who expect to attend the district convention at Decatur will be preceded by the advance guard who will play in a golf tournament held Oct. 12th.

The Kiwanis team has not been announced as yet but will be picked from the following Kiwanians who are quite expert golfers: A. R. Gregory, F. E. Farrell, A. T. Capps, C. Y. Rowe, W. S. Camp, Warfield Brown, Wood Phillips, Lloyd Reid, C. A. Goddard, Keith Montgomery, Bob Mullenix, Ed Tomlinson and Bill Berryman.

A four man team will be selected to represent the local club in this event.

## FARM BUREAU NOTES

Inspecting Soy Beans Fields for Insect Injuries.

Soy beans are a new crop in the course of time may have insect enemies. The state entomologist, W. P. Flint, is anticipating that time by having a survey made of the fields of soy beans in the state to determine what insects are found on the beans.

Yesterday, J. H. Bigger, assistant state entomologist and farm bureau adviser, G. B. Kendall, spent the day inspecting fields east of Jacksonville. The fields of H. J. Rice, F. E. Drury, Fred Moeller, W. C. Carter, E. R. Hembrough, E. O. Towne, Homer Woods, C. E. Keenan and Charles Drury were visited. Some insects were found but none were doing any serious damage.

Quite a number of these men are pulling up beans for hay. Claude Keenan was hauling a part of a field. Other fields in the county will be visited today.

Mrs. J. I. Mann of Sinclair was a visitor to the city Tuesday.

## FAVORITES TAKE MONEY AT COLUMBUS

Only Upst Was In the Ohio State Journal Stake In Which Peter Henley Defeated the Favorite Edna Early.

Columbus, O., Sept. 26.—Favorites took first money in three of the four events on today's Grand Circuit racing program the only upset coming in the Ohio State Journal stake for 2:00 pacers in which Peter Henley, well driven by Harry Stokes, defeated Edna Early, the favorite. In the final heat of this race both Peter Henley and Edna Early broke, Walter Cox winning the heat with Trampsafe.

Tommy Murphy piloted a winner in the Buckeye stake.

Sam Woods, who has been confined to his home for some time as the result of being kicked by a horse, was able to be down town yesterday.

# The Facts in the Case

RECENTLY there has been some revival of the story that the Standard Oil Company (Indiana) belongs to a trust, and is operated as a part of a larger organization directed by interests other than its Board of Directors.

Such stories are absolutely and unqualifiedly false.

The Standard Oil Company (Indiana) is an independent corporation owned by 27,109 individual shareholders, many of them employees.

No individual owns as much as 10 per cent of the capital stock.

The policies of the Company are formulated, and the practices directed, by a Board consisting of nine men, all actively engaged in this business, and in no other.

Robert W. Stewart, *Chairman*  
W. M. Burton, *President*  
W. E. Warwick, *Second Vice-President*  
B. Parks, *Third Vice-President*  
E. G. Seibert, *Fourth Vice-Pres., Sec. & Treas.*  
Allan Jackson, *Fifth Vice-President*  
R. H. McElroy, *Traffic Manager*  
E. J. Bullock, *Director of Purchases*  
T. J. Thompson, *General Manager—Sales*

These men are striving to manage the business of this Company so as to render the utmost of service to the people of the Middle West; to furnish steady employment to 26,000 men and women; and to render a fair return to the stockholders on the capital they have invested in the enterprise.

The Standard Oil Company (Indiana) neither owes, nor acknowledges, allegiance to any individual or other organization. It stands squarely on its own feet and says proudly that its trying to do a big job in a big way.

# Market Report

By The  
Associated  
Press**FRESH ACTIVITY  
IN STOCK MARKET**

By Associated Press.

NEW YORK, Sept. 26.—Lack of fresh buying power and renewed concern over the foreign situation encouraged partial short interests to cause activity in stock market. Prices drifted downward but generally within narrow limits. The selling movement was aided in its early stages by heavy offerings from western points. Domestic news was largely favorable. Trading was again largely in the hands of professional interests. The lack of investment demand was explained as being due to the hesitancy of present holders adding to their commitments because of the threatening aspects of the near eastern situation and the uncertainty regarding the government's plan for refunding its short term obligations maturing in the next few months.

Predictions that the August earnings statements of the railroads would show heavy losses as a result of the miners and shippers' strikes were borne out by figures supplied by the Union Pacific System.

They showed a loss in net operating income for August of \$1,549,219 below that of the corresponding month last year. The gross income was \$1,000,000 more in August than it was in July and larger than that for either May or June before the shippers' strike went into effect. Largely as a result of this showing, Union Pacific stock was among the hardest hit in the rail group dropping 1 1/2 points.

Atchison, Canadian Pacific, St. Paul, common and preferred and Chicago & Northwestern also secured material recessions.

Total sales were \$36,000 shares. Call money opened and renewed at 1/4 per cent but eased off to four at the close. The time market also showed a tendency to ease bankers who had been holding out for a five per cent rate for the longer maturity lending money today at 4 1/2. The bulk of prime mercantile paper commands 4 per cent.

Foreign exchange rates were slightly irregular but did not appear to reflect any serious concern over near east developments. Sterling yielded slightly and continental rails were inclined to harden. Liberty Second 4s, Second 4 1/2s and Third 4 1/2s sold below par today for the first time in a long while. All the government issues were lower. The general decline was attributed to both uncertainty over government financing and the European political situation.

Total bond sales (par value) were \$12,463,000.

Chicago, Sept. 26.—U. S. Department of Agriculture—Cattle

—Cattle—13,000. Native beef

steers and western grassers most

ly steady; lower grades natives

in liberal supply and slow; top

matured steers \$12; best long

yearlings \$11.90; bulk native

beef steers \$9.25 to \$10.75; bulk

western grassers \$7.10 to \$7.75;

she stock slow, about steady;

bulks, stockers and feeders largely

steady; veal calves uneven, about

steady.

Hogs—Receipts 20,000. Opened

weak to 10c lower on lights;

closing weak 10 to 20c lower on

all kinds; bulk 175 to 210 pound

average early \$10.50 to \$10.60;

top \$10.65 early; bulk packing

sows \$7.50 to \$8.25; pigs weak

25c lower. Desirable kinds \$9 @

\$9.50; estimated holdover 13,000.

Sheep—Receipts 16,000; fat

lambs opened steady to strong.

Later spots 10 to 15c higher; top

natives and western lambs

\$14.60, bulk natives \$14 to

@ \$4.50; good handy weights up

to \$6.50.

KANSAS CITY MARKET

REVIEW

Kansas City Stock Yards, Sept.

26.—With 38,000 cattle and 8,

000 calves received the available

supply was the largest of the

year. All classes and kinds were

included in the run. Choice

stockers and feeders and fancy

stock calves were offered more

freely than at any previous time

this year. Prices weakened 10 to

15c and at the decline the market

afforded the best buying opportunity

of the season. A good set of

stockers can be bought at

\$5.50 to \$6 and straight feeders

at \$6.75 to \$6.25. Fleshy feeders

with quality can be bought at

\$6.50 to \$7.25 and on the basis

of short fed and finished steers

which are bringing \$9.50 to

\$11.00, they look like a good buy.

Some 1,100 to 1,200 pound steers

that would take on considerable

finish in thirty to sixty days are

bringing \$7.50 to \$8 and stock

calves are selling at \$5.50 to

\$6.50. Good to choice stock cows

are bringing \$3.50 to \$4.50, and

stock heifers \$4 to \$6.

Hog prices advanced sharply

last week, and today made a further

gain, taking the general

market 50 to 65c above a week

ago. The top price was \$10.05 and

bulk of sales \$9.50 to \$10. Pigs

and stock hogs are offered in

fairly liberal supply and the good

kinds are selling at \$8.50 to

\$9.60. It is a good time to get 100

to 120 pound weights for fall and

early winter feeding.

Fat lambs late last week were

at the highest point of the season

but today a 25c decline was reported.

Choice native lambs are

selling at \$13.50 to \$13.75; western

lambs \$14 to \$14.25, and good

to choice feeding lambs \$13

to \$13.75. The largest supplies

of thin lambs this season will be

offered during the next three

weeks.

Market Correspondent.

**HIGHER PRICES FOR  
WHEAT, CORN AND OATS**

By Associated Press.

CHICAGO, Sept. 26.—Nervous-

ness over the Dardanelles crisis

and the threatened tie up of ves-

sels on the Great Lakes led to

higher prices today for wheat,

corn and oats. The market

closed unsettled at 1c to 1 1/2c net

gain, with December \$10 1/2 @

\$10 1/4 and May \$10 1/8 @ \$10 1/8.

Corn finished 1/2c to 1 1/2c up and

oats unchanged to 1/2c @ 1 1/2c higher.

In provisions, the outcome was

same as yesterday.

Owing chiefly to continued

militant moves on the part of the

Turkish forces the wheat mar-

ket started with a decided up-

ward tendency, but in the middle

of the trading session a slip

backward in values took place the

effect of hedging sales from the

northwest especially Winnipeg

where receipts tomorrow were

expected to total as much as

2,000 carloads.

Besides today's arrivals at pri-

mary points in the United States

were more than 600,000 bushels

in excess of the aggregate a year

ago.

Now strength developed in the

wheat market during the last

## NOTICE TO CONTRACTORS.

Sealed bids will be received for  
the improvement of East Morton  
avenue by the board of local im-  
provement at its office in the city  
council chamber in the city hall  
in Jacksonville, Ill., until sixth  
day of October at the hour of ten  
(10) o'clock a. m.  
It is estimated there will be  
2,000 square yards of concrete  
slab, seven inches in thickness,  
composed of one (1) part by  
volume of Portland cement, two  
(2) parts sand and 3 1/2 parts  
washed gravel, 484 cubic yards  
excavation.  
5,200 pounds reinforcing steel  
inlets.  
Said improvements shall be  
constructed and made in accord-  
ance with the ordinance provid-  
ing for the same and the maps,  
plans, profiles and specifica-  
tions for the same on file in the  
office of the city engineer of  
said city.  
Proposals must be made on  
blanks furnished by said board  
and in compliance with the in-  
structions thereto attached,  
which can be had on application  
to the engineer, and must be ac-  
companied by cash or by a check  
payable to the order of the presi-  
dent of the board of local im-  
provements in his official capac-  
ity, certified by a responsible bank  
for an amount not less than ten  
(10) per cent of the aggregate  
of the proposal.  
The contractor shall be paid  
in cash and bonds, bonds to bear  
interest at the rate of six (6)  
per cent per annum.  
No bids will be received unless  
the party offering it shall furnish  
evidence satisfactory to said  
board of local improvements that  
he has the necessary facilities,  
ability and pecuniary resources to  
fulfill the conditions of the con-  
tract and execute the work  
should the contract be awarded  
to him.  
Bidders will examine the ordi-  
nance, maps, plans, profiles,  
and specifications, and also  
the locality in which said work is  
to be done and judge for them-  
selves of all the circumstances af-  
fecting the cost and nature of the  
work.  
The board of local improve-  
ments reserve the right to reject  
any and all bids, as authorized  
by law.  
This work will not be awarded  
separate from 500 feet adjacent  
to city to be let by the depart-  
ment of the state highway at  
Springfield on the same date and  
hour as above mentioned.

### TUESDAY CLUB BEGINS 25TH YEAR

Program for Coming Months  
Show Interesting Themes—  
Met Yesterday at Home of Mrs.  
Bradley.

The first meeting of the fall for the East Side Tuesday club was held yesterday afternoon at the home of the president, Mrs. George Bradley on Mound avenue. The club is beginning its twenty-fifth year and there was a large attendance at the first gathering. Mrs. J. M. Wolfe, the retiring president made a short talk on "Passing the Honor to the New President" and Mrs. Bradley responded with a few remarks on the subject of "Looking Forward." The summer reminiscences which each of the club members gave were very inter-

esting and in many cases had been cleverly and humorously worked out. The new program, which includes the meetings from today to May 15, 1923, were given out. The officers of the club are: President, Mrs. G. R. Bradley; vice president, Mrs. O. N. Barr; secretary, Mrs. George Hocking; treasurer, Mrs. D. E. Kennedy. Program committee—Mrs. J. K. C. Pierson, Mrs. C. O. Swift, Mrs. M. J. Donahoe.
